

What do
Olympic Sailors
say about the
420?

- “When I transitioned from the Mirror to the 420 it felt big and unbelievably fast upwind, but it wasn't long before finesse and accuracy were the ingredients to great results. The 420 is a fun boat and really teaches you all the skills required to develop your sailing career.”

Stu Bithell 2012 470 Olympic Silver medalist, 2017 49er World Champion

“The skills needed to master a 420 can transfer to any class. You do this one well, the rest are yours! Whether it's teamwork, technical understanding or tactical skill sets - you'll get the very pinnacle from this boat. The 420 was pivotal in my learning and excitement to chase olympic medals!”

Luke Patience, 2012 470 Olympic Silver medalist, 2017 49er World Champion
